

## SCHOOL INVITATION

The Executive Dean of the Tshwane University of Technology's Faculty of Arts and Design, Prof Nalini Moodley, cordially invites learners interested in furthering a career in the Creative Industries to visit the TUT Arts Festival.

Three fantastic days of non-stop activity promise to be a vibrant celebration of talent, creativity and healthy competition. We believe that your school and its learners would be an invaluable addition to the festivities.

Come and experience the behind-the-scenes magic. Exhibitions, workshops, open classes, a talk fest, films, performances and artwork for sale, form part of the programme. Specialists will be available to give insight, answer questions and explain career opportunities in the specific art and design disciplines offered on our diverse campus.

The festival aims to foster a spirit of camaraderie, and this year, we want to inspire mental well-being and physical fitness. The Faculty will collaborate with the Sport and Recreation Management section within the Department of Marketing, Supply Chain and Sport Management, within the Faculty of Management Sciences, to 'activate' ARTIVISM through an exciting sport and recreation journey.

Friendly competition, critical thinking, creative problem-solving and teamwork will be encouraged through a wide range of sport and recreation activities, including facilitated rock climbing and obstacle courses, enabling learners to interact, bond and develop essential life skills. These competitions will promote teamwork, sportsmanship and physical well-being.

To confirm your school's participation in the TUT Arts Festival or for further details, please complete the School Booking Form or email [botesjc@tut.ac.za](mailto:botesjc@tut.ac.za).
